The DCSF National Citizenship CPD Programme provides professional development for all teachers, teaching assistants and support staff delivering or supporting the National Citizenship Curriculum at all Key Stages.

The programme accredits course members at all levels from HE Certificate [Level 4] to Masters [Level 7].

Nine regional Citizenship HUB partnerships deliver the programme locally. Key HUB partners are Local Authorities, the Citizenship Foundation and Association of Citizenship Teaching, Awarding Bodies and HEIs.

A national website supports the programme. The website is fully interactive, and provides a Virtual Learning Environment for course members and access to national resources.

Features of the Citizenship CPD Programme:

- Needs driven, with focus on professional and applied knowledge your school wants
- flexible study
- focus on effective classroom teaching, assessment and delivery of Citizenship across the whole school community
- meets DCSF Standards in Citizenship teaching and learning.
- gains personal accreditation at your own level.

For further information and details of modules running in your area or on-line please visit the National Citizenship CPD Programme website:
