

Overcoming Islamophobia Session Plan

Activity	Additional notes
Religious leader – Speaking on the 5 pillars of Islam and 7 articles of faith.	
Myths and facts – a statement is read out to the whole group. They have to state whether they think it is a myth or a fact by moving to either side of the room. The group will then discuss why they have stood where they have. Following this a slide on PowerPoint will be revealed showing a few bullet points relating to the myth/ fact.	PowerPoint is needed
Demographics – In groups provide the young people with a list of 24 countries and data for the total populations of Muslims in those countries and data on the % of the total population that are Muslim. Young people work in their groups to try and assign the correct data to each country. The correct answers are revealed and then reflected upon.	Split into groups using topical pictures cut into jigsaw pieces
Positive messages from the Qur'an and Hadiths printed on cards that young people can choose to take away with them.
