

Do you think that this group is an extremist group? Explain your answer.

In your answer you should:

- Introduce your group** and its ethos/code (what does it want). You should also discuss the background of this group.
- Clearly present your argument** (e.g. I believe that Is an extremist/ is not an extremist group because.....)
- Analyse the sources provided** (and any other sources you find) to support your argument
- Conclude your argument** –

There are 3 parts to a conclusion you should do:

- 1. Restate the main statement of your argument***
- 2. Presents one or two general sentences which accurately recaps your argument and supports the main point***
- 3. Provides a general points as to why the alternative viewpoint cannot be correct***
